Subject: Meeting Update and Follow-ups

Hi Section 73 -

As mentioned in my earlier email, I just wanted to update and follow-up on a few things discussed at last week's meeting with the Treasurer.

- **Follow-up meeting to discuss governance**
 - This has been arranged for 3 December and will include guidance on pipeline and skills

- **Section 49 - Contrary to Public Interest**

- **Section 49 - Contrary to Public Interest**

- **Sea Swift**
 - As flagged, there is some work underway covers current state and issues related to the asset. It is important to note that the asset is not held in government funds despite media commentary, and it provides a critical service fulfilling a key community service obligation in Far North Queensland and the Torres Strait. **Section 49 - Contrary to Public Interest**

- **Section 49 - Contrary to Public Interest**

- **Gympie Road Bypass**
 - The program of work agreed on this project is continuing through North Brisbane Infrastructure (NBI). If possible, I think it would be worth bringing NBI in to undertake a briefing with the Treasurer and Minister for Transport and Main Roads before Christmas. **Section 49 - Contrary to Public Interest**
Section 49 - Contrary to Public Interest Happy to discuss.

Hopefully that, along with the separate briefings being carried out, cover everything from your perspective but do let me know if I've missed anything.

Kind regards
