## SCOPE AND PURPOSE OF THE CONSOLIDATED FUND FINANCIAL REPORT

# **Statutory Requirement**

The Financial Accountability Act 2009 (the Act) provides that at the end of every financial year the Treasurer shall prepare and transmit to the Auditor-General a statement containing particulars of transactions of the Consolidated Fund and details of appropriation paid to each Department (including adjustments to original appropriation). This statement, known as the Consolidated Fund Financial Report (CFFR), is to be transmitted to the Auditor-General by a date that allows the Auditor-General to complete the audit of the statement and prepare a report on it within three months after the end of the financial year. The statement and the report of the Auditor-General are then to be tabled in the Legislative Assembly by the Treasurer within fourteen days of their return by the Auditor-General.

## **Consolidated Fund Accounts**

The Act requires the Treasurer to keep ledger accounts for the Consolidated Fund consisting of:

- the Treasurer's Consolidated Fund Operating Account; and
- the Treasurer's Consolidated Fund Investment Account.

# **Basis of Accounting**

## Gross Cash Basis

The Consolidated Fund Financial Report records transactions on the cash basis of accounting, in contrast to Departmental reporting which is on the accrual basis of accounting. Transactions are recorded in the Consolidated Fund accounts at the time of receipt or issue of cash. In relation to the finalisation of appropriations under section 29(1) and section 37(3) of the Act and in accordance with section 22(6) of the Act, payments made from and receipts paid to the Consolidated Fund within two weeks after the end of the financial year relating to that financial year may be included in the appropriation for that year. For 2024-25, cash appropriations were finalised by 30 June 2025.

# Rounding

Amounts included in this statement have been rounded to the nearest \$1,000 or where that amount is \$500 or less, to zero.

Amounts may not add to totals both across and downwards due to rounding.

# **Meanings of Certain Words**

The following words appearing in the Statement of Appropriations have these meanings:

#### Transfers

Transfers made under section 79 of the Act represent the transfer of appropriation between departments approved by Governor in Council following a redistribution of Government business.

Treasurer's Transfers made under section 33 of the Act include transfers of appropriation between headings within a Department's vote, approved by the Treasurer.

# Unforeseen Expenditure

Unforeseen Expenditure refers to expenditure authorised by the Governor in Council, under section 35 of the Act, to be made in advance of appropriation. Such authorisation may be given for expenditure where there is no appropriation, or there is an appropriation but the making or charging of the expenditure to a department's vote would mean that the amount allocated to the vote would be exceeded.

Expenditure refers to payments from the Consolidated Fund to departments. It does not necessarily mean that departments have had increased expenses. Departments may also use the funds for capital purchases and/or debt repayments which do not impact the net operating balance.

# Lapsed Appropriation

Lapsed Appropriation means appropriation that has lapsed under section 29 of the Act. This section states that where the available amount (total amount appropriated) is not paid to a Department within the financial year or within the further two weeks, the unpaid amount of the appropriation lapses at the end of the further two weeks.

a. The Investment Account balances reported above are on an amortised cost basis. The closing balance of the Investment Account will differ from that reported in the Report on State Finances due to changes to AASB 9 *Financial Instruments* which requires an adjustment to fair value. The market value adjustment is not disclosed here as it does not impact cash receipts and payments.

This is partly offset by the whole of government borrowing costs.

# TREASURER OF QUEENSLAND'S CERTIFICATION

Prepared, signed and transmitted in compliance with sections 23(4) and 24 of the *Financial Accountability Act 2009.* 

HON. DAVID JANETZKI MP Treasurer, Minister for Energy and Minister for Home Ownership

28 August 2025

#### INDEPENDENT AUDITOR'S REPORT

To the Treasurer of Queensland

# Report on the audit of the Consolidated Fund Financial Report

# **Opinion**

I have audited the accompanying Consolidated Fund Financial Report.

The financial report comprises the statement of receipts and payments for the quarter ended and year ended 30 June 2025 and related notes, the statement of appropriations for the year ended 30 June 2025 and related explanatory notes and the certificate given by the Treasurer of Queensland. The report has been prepared using the cash basis of accounting.

In my opinion, the financial report:

- a) gives a true and fair view of the transactions of the consolidated fund accounts for the financial year 1 July 2024 to 30 June 2025 and the financial position of the accounts as at the end of that year
- b) agrees with the consolidated fund accounts for the financial year
- c) complies with Financial Accountability Act 2009.

## **Basis for opinion**

I conducted my audit in accordance with the *Auditor-General Auditing Standards*, which incorporate the Australian Auditing Standards. My responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of my report.

I am independent of the Consolidated Fund in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (including Independence Standards) (the Code) that are relevant to my audit of the financial report in Australia. I have also fulfilled my other ethical responsibilities in accordance with the Code and the Auditor-General Auditing Standards.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

# **Emphasis of Matter - Basis of Accounting**

I draw attention to the Basis of Accounting under the scope and purpose of the consolidated fund financial report. The financial report has been prepared on a cash basis for the purpose of fulfilling the Treasurer's financial reporting responsibilities under the *Financial Accountability Act 2009*. As a result, the financial report may not be suitable for another purpose. My opinion is not modified in respect of this matter.

# Responsibilities of the Treasurer for the financial report

The Treasurer is responsible for the preparation of the financial report that gives a true and fair view in accordance with *Financial Accountability Act 2009*, and for such internal control

Better public services

as the Treasurer determines is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

# Auditor's responsibilities for the audit of the financial report

My objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

A further description of my responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website at:

https://www.auasb.gov.au/auditors responsibilities/ar4.pdf

This description forms part of my auditor's report.
